Dear Parents & Friends,

Congratulations to Mercy Faction who won our athletics carnival for 2016. Well done to all our students who participated and challenged themselves throughout the day. A big thank you again to our staff, in particular Mr Mammoliti for organising the carnival. Thank you also to our P&F, parents and staff who cooked our sausage sizzle lunch. It was a fantastic day!

Yesterday we competed in the Interschool Athletics Carnival. It was a great day and thanks to Mr Mammoliti for all his preparations with this event.

Congratulations to our Year 6 school and parish students on receiving the Holy Spirit in the Sacrament of Confirmation. Thanks to Mrs Russo and staff who assisted with preparations for the Mass and also Father Stan for his spiritual guidance. The students cut their Confirmation cake as part of a celebration at school. Thanks to Mrs Settineri for organising the cake.

The Year 3 students who are receiving the Sacrament of First Penance attended a workshop on Tuesday night run by the Catechist team from CEWA. This is in preparation for their First Penance in Term 4. Thank you to all the parents, children and Mrs Giorgio for participating in the workshop.

Mr Mark Ryan met with all staff and students. He is looking forward to working with our school community from the start of next term.

Our classes have been experiencing some fun activities both at school and out of school. The students had a Beachsafe Incursion in which they learnt about safety in and out of the water at the beach. Thanks to Mrs Russo for organising this. Our Year One class went to SciTech where they explored and learnt about all things Science. Thanks to Miss Murgia for taking the students on this excursion. The Year Two class presented us with their assembly last week. It was very entertaining as they re-told the story of the Lamington Man and sung a song about recycling. Thanks to Mrs Callaghan and Mrs Versaci for preparing the students.
Principal’s news continued.

You would be able to see that the next stage of our Nature Play area has started. At the moment the area has been cleared. A huge thank you to Mr James Menchetti and Mr Luch Rapanaro for giving up their time and expertise on Saturday morning. Your help was much appreciated and will enable us to purchase additional items for our nature play area. The next stage will include a new dig zone, swing, tunnel, pump/through, tee-pee and log swing. This will hopefully be completed just after the start of Term 4. Thanks also to our community committee on the school board for their ongoing assistance too.

We have come to the end of an extremely busy term. Many thanks to all the staff, P&F, Board and parents who have helped or assisted in any way. A special thank you to Mrs Russo, Mrs Cruttenden and Ms Casey for taking on extra duties over the last 6 weeks and also to Ms Caldwell for her work in Pre Primary. Well done to all our fantastic students who have worked so hard in class all Term.

Mrs Versaci leaves on her well deserved long-service leave break at the end of this week. We wish her a safe and amazing trip as she heads over to Europe. Wishing you all a safe, relaxing and well deserved holiday, see you all in Term 4, which starts on Tuesday 11th October for all staff and students.

God bless

Mr Matthew Gray
Short-term Principal

Prayer to Saint Matthew

O Glorious St. Matthew, in your Gospel you portray Jesus as the longed-for Messiah who fulfilled the Prophets of the Old Covenant and as the new Lawgiver who founded a Church of the New Covenant. Obtain for us the grace to see Jesus living in his Church and to follow his teachings in our lives on earth so that we may live forever with him in heaven.

Our Community
Farewell to Darius Sayed (Y1) who is leaving us at the end of this Term. We thank you very much for being a part of our school community and we wish you and your family all the very best for the future.
As we have come to the end of Term 3, we would like to thank all of our children, families and school’s administration for their support throughout the term. We would also like to thank our families who took time out from their busy schedules to speak to the children during our multicultural week. Lurline Byles (Isabella’s mum) taught the children a Torres Strait Island traditional song and Mrs Katherine Watkins (Lily’s grand mum) spoke to us about their Irish culture. We all learnt a lot about different cultures and tasted some yummy food! Thank you so much for all your time and effort.

Special thanks to Luch Rapanaro (Seth’s dad) for donating a few sports games and dress ups, the children love them!

We had our end of term party yesterday afternoon. The children have been planning and working along with the educators to organize the party and a good time was had by all!

Just a reminder that OSHClub provides vacation care to numerous locations around Perth, please visit our website for more information.

Wishing you all a safe and happy holiday, we look forward to seeing you all again in Term 4.

**Battery Recycling**

The students of Year Five have had outstanding success with their battery recycling drive this Term. Recycling batteries is good for the environment. It keeps them out of landfill, where heavy metals may leak into the ground when the battery corrodes, causing soil and water pollution. We congratulate Mrs Roberts and the Year Five students for their efforts. As from Term Four, the bin will be housed in the admin block. Please continue to send your used batteries to school for recycling.

---

**Paper and Mixed Recycling**

We have been busy this term getting our recycling program underway. Each classroom now has two bins for sorting and recycling and they have been doing a fantastic job. So much of our waste has now been redirected to recycling and the children’s keen participation in this project has been wonderful. Keep up the great work!

**Mathlete of the Week**

Well done to Rohan Louis in Pre Primary who is our winner of the Mathlete of the Week trophy for Week 9.

Faction Carnival

Well Done Everyone!
Faction Carnival

The days leading up to the 2016 Faction Athletics Carnival were hampered by some wild weather and a degree of uncertainty as to the condition of our new carnival venue, with a freak storm blowing off the roof to the nearby clubrooms. Thankfully, and with much help from above, Friday the 9th of September was a successful day had by all.

The students showcased their ability and sportsmanship in front of many family members, carers and friends who blessed us with their presence and support on the day. Staff ensured the day ran as smoothly as some of our elite runners, and our P&F did an exceptional job in delivering food to the masses.

Some records were also broken on the day. Most notably, Clinton Sunday who featured in both an individual and team record, Nancy Eliakundu who broke the Year 6 Turbo Jav record and the Year 4 Mercy girls who emphatically broke the 70m hurdles record.

Many thanks to all who made the day possible and congratulations to Mercy faction who were our overall winners.

Mr Mammoliti

Entertainment Book

Please see Mrs Cruttenden (Yr 4) or the office staff if you would like to purchase our last 2016/2017 Entertainment Book.
Last Friday the Year 6 class enjoyed an Asian Food Safari Lunch to support their studies of Asia and in particular China. Mrs Luu (Kyra’s mum), very generously came in and demonstrated how to make Chinese Fried Wontons. We wrote procedures so we now know how to make Wontons ourselves. We also made Teriyaki Chicken Noodles. Some students brought in traditional dishes from other Asian countries. We tasted food from India, the Philippines, Vietnam and Japan. The Art room was decorated with Chinese lanterns we had made and our placemats featured our names in Chinese. Thanks also to Mrs Versaci for her help and to Mr Gray for joining us, although we hope the fortune from his fortune cookie doesn’t come true!!!!!

Personal Advocacy Service, is an agency of the Catholic Archdiocese of Perth providing one-on-one support for people with varying degrees of intellectual disability to enable them to live more fully as active members of their local community. We currently operate in 12 parishes with 16 established groups and are looking to expand where the needs arise. A small group consists of 8 volunteers and 6 friends with disabilities. We start the year mid February and end by mid December. We are looking to fill a number of vacancies in our existing groups starting in Feb 2017. We need men and women to be part of our groups. All training and support will be provided. These seemingly very ordinary activities would not be possible for our friends without the extra help.
